

OUR GOALS

We want to build a strong real tennis club associated with the Melbourne Cricket Club.

We encourage and support participation by members in competitive real tennis for all standards, entering individual and team competitions.

We participate with the MCC in attending functions held by the MCC, with events such as use of the Hans Ebeling room during football and cricket matches at the 'G, Sporting Sections Grand Final Lunch and Annual Dinner hosted by the MCC.

To promote the game and be an active member of ARTA and the wider tennis community.

Our long term key objective is to obtain a home for the Section with the building of a new court complex with MCC support

MEMBER INFORMATION

President - Andrew Gould
Treasurer - Greg Reid
Secretary - Michael Carroll
Committee— Tim Raw
Annie Strange
Ken Penaluna
Greg Henderson
Simon Walliss
Euhna Varigos

KEY COMPETITIONS

Introduction nights are designed for new players to go on court with a tennis professional to learn the basics. These are normally held on the second Friday night of the month.

We hold these at RMTC in Richmond.

Inter-club pennant matches, normally handicap doubles, open to all players, both home and away matches.

A/B grade pennant matches, for the ≤ 35 handicap players, both home and away.

Day matches against other tennis clubs. Our nominal home court for day matches is at Romsey, about 50 minute drive north west of Melbourne. We play both home and away matches which may be held over a weekend, especially when we travel to Hobart.

Handicap championship open to all members, held during the year cumulating in a final on the second Friday in December.

Gold racquet competition to the best 8 to 10 players, off scratch.

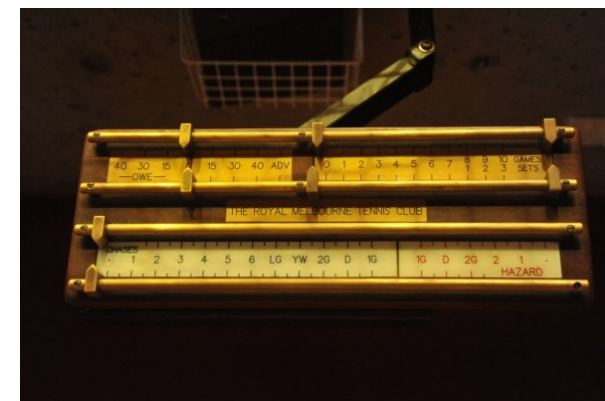

The Cowper-Cowdrey Cup played against Marylebone Real Tennis Club during each Ashes series, at Lord's or at RMTC is a highlight for players.

New MCCRTS members get two free tennis lessons with a professional as an incentive to take up the game.
